As part of the Affordable Care Act, Laconia School District provides a 1095-C form to each employee who is enrolled in medical coverage. This form confirms that Laconia School District offered affordable, minimum essential coverage for the plan year.

Please note that the 1095-C form is not required to be filed with your personal tax return.

Starting January 1, 2025 (for the 2024 plan year), Laconia School District will only provide the 1095-C form if you request it.

If you would like to request a paper copy of your 1095-C form, please contact:
