

## **USE OF SCHOOL DISTRICT EQUIPMENT/SUPPLIES**

Students or staff assigned school-owned equipment/supplies may use them free of charge subject to the following stipulations:

- The student/staff is financially responsible for all damages resulting from negligent use and/or abusive treatment.
- The district will be financially responsible for all repairs due to normal use, including regular maintenance.
- No one is to use the equipment except the student or staff to whom the equipment is assigned.
- The student will return the equipment/materials to the district in good condition when requested.
- The borrower will be required to sign a statement acknowledging the above information.
